My sweet Jesus, is gonna fix it,  
After a while.  
Gonna sing sometime...  
Gonna smile sometime...

## 55. THE WISE MAN

The wise man built his  
House upon the rock ...x3

And the rain came tumbling down.  
The rains came down  
And flood came up ...x3  
But the house on the rock stood firm.

The foolish man built it  
House upon the sand ...x3  
And the rain came tumbling down.  
The rains came down  
And flood came up ...x3  
And the house on the sand went smash

So build your life on the lord Jesus Christ ...x3  
And the blessings came tumbling down.  
The prayers go up and the blessing come down ...x3

So build your life on him

## 56. TELEPHONE TO JESUS

Telephone to Jesus (3) every day, "Hello!"  
I want to talk to Jesus (3) every day, "Hello!"  
Jesus says He loves me (3) every day, "Hello!"  
I want to talk to Jesus (3) every day.

## 57. WE SHALL OVERCOME

We shall overcome ...x3 someday!  
O deep in my heart, I do believe  
We shall overcome some day.

The Lord will see us through...  
It's on to victory...

## 58. WHAT A MIGHTY GOD

What a mighty God we serve (2)  
Angels bow before him  
Heaven and earth adore him  
What a mighty God we serve

## 59. WHISPER A PRAYER

Whisper a prayer in the morning  
Whisper a prayer at noon  
Whisper a prayer in the evening  
To keep your heart in tune

God answers prayer in the morning  
God answers prayer at noon,  
God answers prayer in the evening  
To keep your heart in tune

Jesus may come in the morning,  
Jesus may come at noon,  
Jesus may come in the evening

So keep your heart in tune

**60. You are my strength**

You are my strength when I am weak  
You are the treasure that I seek  
You are my all in all  
Seeking You as a precious jewel  
Lord, to give up I'd be a fool  
You are my all in all

Jesus, Lamb of God  
Holy is Your name  
Jesus, Lamb of God  
Holy is Your name

Taking my sin my cross my shame  
Raising again I bless Your name  
You are my all in all  
When I fall down You pick me up  
When I am dry You fill my cup  
You are my all in all
